

# Nikolaus Siefert

---

## Goals

Collaborate with a team of artists and developers to create game assets that utilize the skills I've acquired from my education as well as by working for individual clients and developing my own brand.

## Education

### Savannah College of Art and Design

BFA in Illustration, concentration in Illustration for Entertainment.

Graduation year: 2025

## Experience

### Magical Girl Game Jam 11, February - March 2025

Worked in a team of game developers and other illustrators on Dearly Beloved. Ideated, illustrated environments, collaborated on storyboards, designed the antagonist, and designed UI elements.

### Established SINISTERSUNS, November 2023 - Present

Design merchandise and work with manufacturers to create art prints, stickers, and keychains to sell in retail environments as a vendor.

- Savannah Comic Con, August 2024
- SCAD Illustration Expo, April 2024
- Savannah Animazing-Con, January 2024
- Planet Fun (Savannah, GA), November 2023
- Forsyth Park Farmer's Market, Oct 2023 - May 2024

### Freelance Commissions, 2017 - Present

Work with individual clients to turn their concepts into digital illustrations, modular prop designs, twitch emote designs, and character portraits.
